Sage Designs is hosting this 3-day course for programming SCADAPack Controllers with Telepace Studio Ladder Logic software. You must own a licensed copy of the software to take this course.

Course Description: This two-day hands-on course is designed to give each participant a detailed introduction to the SCADAPack controller. The knowledge gained from this course will enable the participants to successfully use the SCADAPack controllers in a wide variety of SCADA, process control and telemetry applications. Students are introduced to the SCADAPack controller family, relays, and ladder diagrams then progress through a series of programming exercises from a simple run/stop control to a two stage pumping station with automatic wear levelling, entering programs and debugging as they go. After covering relay logic centric programming, the course advances into complex function blocks including PID control and Modbus communications.

Instructor: Tony Sannella, Sage Designs, a Factory-certified Instructor.

Location: Holiday Inn Buena Park, 7000 Beach Boulevard, Buena Park, CA 90620, [Directions to Holiday Inn Buena Park](#) (Near Knott's Berry Farm). Those requiring overnight accommodations wishing to stay at the Holiday Inn: call 1-800-315-2621 or [Book online at Holiday Inn Buena Park](#).

Who should attend? Individuals interested in participating in a highly technical, in-depth course on the Schneider Electric Telepace Studio Ladder Logic programming software & how it applies to SCADAPack controllers. Prior Ladders experience is highly recommended.

What should I bring? It is a requirement of the course to bring a Laptop Computer with Windows XP or above, 250 MB free disk space, 256 MB RAM and .NET 3.5 framework (installs with Studio), mouse with scroll wheel, CD-ROM drive, Working serial, USB or Ethernet port. If you do not have access to a laptop, please ask us to arrange for a loaner.

You must have a licensed copy of Telepace Studio installed and software permissions/passwords to install course software on your PC.
