Sage Designs is hosting this 2-day course for programming SCADAPack Controllers with Telepace Studio Ladder Logic software. You must own a licensed copy of the software to take this course.

Course Description: This two-day hands-on course is designed to give each participant a detailed introduction to the SCADAPack controller. The knowledge gained from this course will enable the participants to successfully use the SCADAPack controllers in a wide variety of SCADA, process control and telemetry applications. Students are introduced to the SCADAPack controller family, relays, and ladder diagrams then progress through a series of programming exercises from a simple run/stop control to a two stage pumping station with automatic wear levelling, entering programs and debugging as they go. After covering relay logic centric programming, the course advances into complex function blocks including PID control and Modbus communications.

Instructor: Tony Sannella, Sage Designs, a Factory-certified Instructor.

Location: Best Western Corte Madera Inn, 56 Madera Blvd., Corte Madera, CA 94925, [Directions to Hotel](#). (10 miles north of San Francisco). Those requiring overnight accommodations wishing to stay at the Best Western: call 1-415-924-1502, or [Book online](#).

Who should attend? Individuals interested in participating in a highly technical, in-depth course on the Schneider Electric Telepace Studio Ladder Logic programming software & how it applies to SCADAPack controllers. Prior Ladders experience is highly recommended.

What should I bring? Attendees to this course must bring a laptop computer running Windows 7 or above with a working serial, USB, or Ethernet port. Your laptop must have a licensed copy of Telepace Studio installed. If you do not have a licensed copy of Telepace Studio you may purchase one at a course-discounted price (see below). It must be installed prior to class. If you do not have access to a laptop, please ask us to arrange for a rental unit.

What is provided? Continental breakfast, lunch and coffee, soft drinks and snacks each day.
